

Vermont State Firefighters' Association

A Letter from The Officers of the VSFA

As we enter our 135th year, we would like to encourage you to renew or reinstate your dues. We did not increase dues this year to draw new members in, as well as past members that we have lost. It is important to know that we have a voice at the State and National level through the Coalition and the NVFC, but our organization is only as strong as its members.

We encourage you to reach out to your younger members and get them more involved. We realize that the younger generation communicates in a totally unique way, and we could really use their help with our Social Media pages. It is our intent to start a Google Group from the membership, so any information goes directly to them.

If your department would like to communicate with us via email, please give us a valid address that you check regularly, we feel this would be a more efficient way to communicate membership awards and convention details. If you would prefer, we are always willing to mail the information through the USPS, please let us know your preference.

Dues are currently \$16 a year. The breakdown is as follows.

\$1.50 for the Cadet Academy

\$1.25 for the Benefits Fund

\$13.25 for the General Fund

Please do not hesitate to call one of us if you have any questions.
